

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

BLAKE L. WARNER,

Plaintiff,

v.

ALCOA ELECTRICAL AGENCY, *et al.*,

Defendants.

NO. C19-1884RSL

ORDER

On April 6, 2020, this matter was referred to the Pro Bono Screening Committee for review and possible appointment of pro bono counsel. *See* Dkt. # 12; General Order, August 1, 2010, Section 3(c). The Panel has indicated that it needs an extension of time in which to complete its review of plaintiff's request for court-appointed counsel. The Clerk of Court is therefore directed to renote Mr. Warner's motion for appointment of counsel (Dkt. # 9) on the Court's calendar for Friday, August 7, 2020, to give the Screening Committee time to make its recommendation.

Dated this 7th day of July, 2020.

Robert S. Lasnik
United States District Judge
